# Ultronic Premium

Make drying your hands an  
easy and hygienic process

Ultronic Premium

HAND DRYER

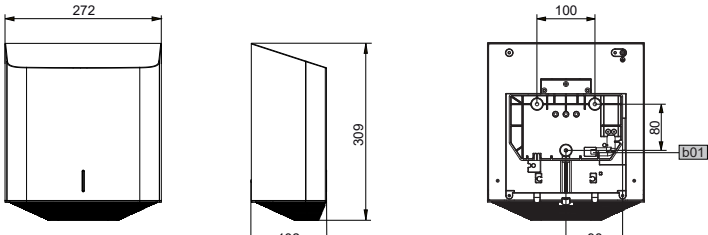

The efficiency of the Ultronic hand dryer makes drying your hands an easy and hygienic process. The switchable heating element allows for maximum comfort and can also be switched off to enable ‘silent mode’ which is ideal for sanitary rooms in schools, offices, and public buildings.

Product features

- › Extremely short hand drying time of less than 12 seconds
- › Robust, impact-resistant stainless steel casing
- › Integrated & certified room air purifier with UV-C lamp and ion generator
- › With HEPA filter for hygienic hand drying with clean air
- › Add-on heating element for pleasant hand drying
- › Silent mode with reduced fan speed
- › Hygienic and energy efficient through IR proximity sensors
- › Maintenance-free thanks to brushless motor
- › Very long service life
- › Energy efficient and environmentally responsible
