

STIEBEL ELTRON

3in1 Taps

A sleek 3 in 1 mixer that delivers efficient hot, cold, and boiling water, available in four stylish colours.

Design-Kollektion

3 IN 1 TAPS

Stylish Convenience at Your Fingertips

Elevate your kitchen experience with our sleek 3in1 taps, offering hot, cold, and boiling water in four stunning colors. Designed to make a statement in any home, these taps provide reliable access to all your water needs while enhancing your kitchen's aesthetic. The automatic water boiler features electronic temperature control, maintaining a constant water temperature of up to 95 °C. The mixer lever tap includes a special rotary selector, allowing you to dispense hot water with minimal steam and splashes. For added safety, the built-in push & turn mechanism ensures peace of mind.
